

## **Vegan FAQ's**

### **1. Do you have vegan doughnuts? Do you have non-vegan doughnuts?**

Yes, we have vegan and non-vegan doughnuts at all locations!

### **2. What makes your doughnuts vegan?**

Our vegan doughnuts do not contain animal ingredients.

### **3. Can you make any doughnut vegan if I call and place a pre-order?**

We can make most doughnuts vegan if you call to place a pre-order, however, we require that you give the shop 24 hours' notice.

\*Our new Houston location will begin accepting pre-orders later this year.

### **4. How do I place a pre-order?**

To guarantee that you get vegan treats, pre-order by calling the shop directly, giving them 24-hours' notice. You may pay in advance or pay at pick up (larger orders require advance payment). All locations accept cash, debit, credit and Apple payments! Please note that all online orders, phone-in orders and large orders requiring advance payment must be made with a credit or debit card, not cash.

### **5. What if you run out of vegan doughnuts? Will you make more?**

We do our best to always keep vegan selections available. Due to the busy nature of Voodoo Doughnut, on the rare occasion, we can run out of vegan offerings. Here at Voodoo every doughnut is handmade, extending the time period that it takes to make a fresh batch of doughnuts, but rest assured, our staff is always working on the next batch!
